Updates in GP Out
Bag Section & Inventory Adjustments

- [ ] Introduce a **Shortage Bag Section**
- [ ] Add whatever count is written in the **GP In Bags** section to the **Main Bags** section, then update **Shortage Bag Section ,**the sum marked under **Total Bags**.

  .
  .
  .
  Main Bags ……..
  Shortage Bags …….
  Total Bags ……..
  .
  .
  .
- [ ] Format the **GP Report** quantity section entry to show additions directly (e.g., 500 + 5 = 505)
- [ ] If **GP Out** is selected, subtract the selected items' inventory from the total bags.
- [ ] If **GP In** is selected, add the selected inventory to the total bags.
